Time: 8am -9:30am
Place: Multi-purpose Room

TEACHER NEWS

Every student is responsible for writing their homework in their student planner. Please review your child's planner daily to assure they are completing all of their assignments. Parents are welcome to send notes in the student planners. Student planners are checked during study hall.

Middle School students need to dress out every day in P.E., now including all Wednesdays, both regular schedule and shortened schedule. Please remind your child to remember their P.E. uniform and tennis shoes every day, and especially remind them on Wednesdays, when students wear dress shoes to school.

We are seeking volunteers for a group of parents to plan a series of events to celebrate Hispanic & Harvest Festival October 31st. If you're interested in planning some student events, please contact Ms. Perry at 702-316-2388. We greatly appreciate your help.
